# 亭氏香氛 | 礦物生成體

TINGS AROMA | Mineral Formation Series

透過獨立研發的塑形與堆疊技法，讓蠟材形成如礦物般的立體結構，模擬自然生成時的不規則形態。不只是傳統香氛蠟燭，而是一件可以放進空間觀看的作品，香氣與造型並行，將微型地景濃縮在生活尺度之中。

＊ 大量採購或客製化需求請洽業者

材質　蠟

Through proprietary sculpting and layering techniques, wax is transformed into three-dimensional, mineral-like forms that echo the irregular structures of natural formations. More than a traditional scented candle, each piece is conceived as a sculptural work to be admired within a space, where fragrance and form converge to distill a miniature landscape into everyday life.

＊ Please contact firms directly for bulk purchase or customization needs.
